SPONSORSHIP OPPORTUNITIES

Why sponsor?

The IBSCE is a leading international platform for the promotion of bioenergy as a valuable economic source in Asia and beyond. By bringing together world leaders, field experts, academics and business innovators the event aims at accelerating the development of new sustainable strategies for organic waste and residues conversion and integrating more efficient technologies. The exhibition is designed to enable attendees to meet with market-leading companies, along with influential industry and government figures.

The IBSCE will be held at the same time and in the same location as SNEC 11th, International Photovoltaic Power Generation Conference & Exhibition, the leading event for the solar industry in Shanghai, China.

Advantage

- Reach key bioenergy target groups in the Asian market;
- Obtain maximum visibility and attract the attention of the community of renewable energy;
- Choose between different sponsorship opportunities;
- Benefit from the event communication services.
